Chris Kuehnel mentors the cement mixing.

Julie & Tim Chisholm mix and pour cement for the footing under the northwest corner of the Housebarn 1870's addition on June 17.

On July 1, field stone masonry began. Volunteer Mr. Bemis checks out the footing.

Let the stone work begin.

Kathy Pearce fitting a stone to a wall.

Stone masonry is like fitting pieces of a puzzle together. Every stone must be washed.

President Richard Lutze uses a froe to create a cedar shingle. You can learn this skill yourself on August 19 in the Old Time Trades Workshop from 9:30-11:30 a.m. See centrevillesettlement.com for details.

Nath Chisholm (on ladder) attaches a newly split cedar shake.

Grandpa Mark Chisholm attaches a freshly cut cedar shake to the 1880s vintage outhouse, donated by Gilbert Arends in 1993.

Heirloom Hops are planted to showcase the 1870s German style.

Niles Klaves planting in the 1870s historic garden.

Wood Fired Pizza!, May 6

The wood fired pizza fed the 50+ volunteers and guests at the Klessig Bake Oven. Nathan Chisholm checks the loaves.

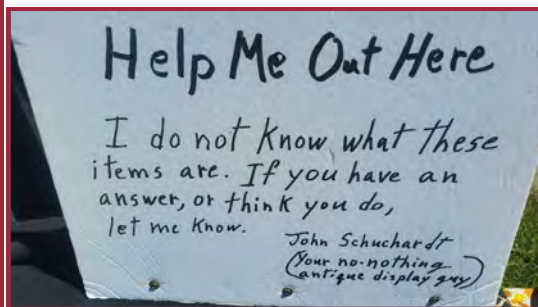

Each pizza was unique!

Chris Kuehnel was the Master Baker of 30+ pizzas and 100 loaves of bread for CSI Fund Raiser.

Students, taught by Kathy Pearce, show off their creations. The fundamentals of Sourdough Bread Making Workshop is part of the CSI Educational mission.

New members in 2016, Diane and John Schuchardt in a classic "Grant Wood" pose. John's sign gleaning for information.
